

NMS Software and Documentation Download Instructions

Software Applications

The following Paradyne Network Management Software applications are downloadable via the Paradyne web site:

- DCE Manager
- DCE Manager for Windows
- Performance Wizard

Go to http://www.paradyne.com/products/ovr_management.html

Choose [Performance Wizard](#) or [DCE Manager](#) and click [Download Now](#).

You will then need to fill out a brief form before choosing the file you wish to download.

Software License Keys

For an **evaluation** software license key, submit a *Paradyne OpenLane Network Management Software Evaluation License Key Request Form* for **each** product to obtain a 60-day evaluation key.

Go to http://www.paradyne.com/tech_support/html/nms_manuals.html

Choose [NMS-A2-GK11-xx](#)

For a **permanent** software license key, submit a *Paradyne OpenLane Network Management Software License Key Request Form* for **each** product to obtain a permanent use key. NOTE: This form must contain a **valid serial number**. Serial numbers can be found affixed to the Software License Agreement provided when an application is purchased.

Go to http://www.paradyne.com/tech_support/html/nms_manuals.html

Choose [NMS-A2-GK10-xx](#)

Product Documentation

User Guides are downloadable via the Paradyne web site.

Go to http://www.paradyne.com/tech_support/html/nms_manuals.html

Choose one of the following:

- [7700-A2-GB23-xx](#) *DCE Manager for HP OpenView for Windows User's Guide*, or
- [7800-A2-GB26-xx](#) *OpenLane DCE Manager User's Guide*, or
- [7800-A2-GB28-xx](#) *OpenLane Performance Wizard User's Guide*
